November Chapter Meeting

The next Delta Xi Chapter Meeting will be held on Nov. 9th at Salem United Methodist Church Fellowship Hall on Blackjack-Simpson Road beginning at 6:00 p.m. Follow Tenth Street toward Grimesland to get to the church. Turn right onto Blackjack-Simpson Road and the church will be on the left just before you get to the railroad tracks. The meal will be chicken and pastry, string bean casserole, sweet potato casserole, bread, beverage and dessert. The cost will be \$10.00 and checks can be made out to Salem Methodist Church. The theme of the program will be "Re-Purposing" and we will be making Christmas ornaments out of recycled stuff,(for ourselves, not to give away). There will be no speaker, just us, having fun. Members may want to bring scissors, old photos and old Christmas cards to use, but there will be many materials provided for you.

RSVP to Martha Gore **by Nov. 5th** at mfgore@embarqmail.com or 752-5973. (This would be a good meeting to bring any potential members to as your guests.)

Remember that we are still accepting contributions for Operation Sunshine, Beginning Teacher Support, and children's books for the Boys' and Girls' Club.

Please don't forget to RSVP! We look forward to seeing you there. This will be a good way to get in the holiday spirit.

The Delta Kappa Gamma Society International promotes professional and personal growth of women.

Here are some examples of ornaments we will be making on November 9th!

From the President's Pen....

This is my first message for "From the President's Pen". Our biennium has begun and will probably fly by-where does the time go? I will use this column to encourage, inspire and remind you that YOU are the reason we have such a great chapter. This year we're concentrating on the RE's: refresh, retain, recapture, revitalize, reaffirm, reclaim, reconnect, renew, reunite, restore, replenish, etc. Our first meeting was Rededicate. Although our lives and schedules may be hectic, let's rededicate ourselves to Delta Xi, Delta Kappa Gamma Society International and our sisterhood by being involved and in touch as much as possible. Our second meeting on November 9th will be themed "Repurpose". Martha Gore will present the program on repurposing/recycling items for Christmas ornaments (this also fits our continuing "Going Green" theme). Sometimes we have to repurpose our lives. I will be doing that next June when I retire. My thirty year purpose will end and I will create a new purpose, perhaps a second career. There are many times when you may have to repurpose your life-births, deaths, relocation, marriage, divorce, illness, job change, etc. Accept those times as opportunities for challenge and growth and know that Delta Xi is here for you and cheering you on!
